

Your Participant website makes it easy to manage your account and learn about saving and investing. To access your account online for the first time, follow these steps.

STEP 1: Visit www.empower-retirement.com/participant and select **EGIS E** from the login box.¹

STEP 2:

If you know your PIN ²

- » Choose I have a PIN.
- » Enter your Social Security number and PIN and click **CONTINUE**.
- » Provide your contact information and create a username and password. Click **EGIS E**.

If you don't know your PIN

- » Choose I do not have a PIN.
- » Complete the requested personal information and click **CONTINUE**.
- » Provide your contact information and create a username and password. Click **EGIS E**.

Future logins

For future visits to the website, enter your username and password and select **SIGN IN**. You will be asked to confirm your identity by requesting that a verification code be sent to you via email, text or phone call. Choose your preferred delivery method and click **CONTINUE**.

Once you receive the verification code, enter it on the website. You may skip the verification code process in the future by checking the **remember this device** box. Otherwise, you will go through the verification code process anytime you log in from a device or browser that is not recognized. Click **SIGN IN**.

¹ Access to the website may be limited or unavailable during periods of peak demand, market volatility, systems upgrades/maintenance or other reasons.

² The account owner is responsible for keeping their PIN/Password confidential. Please contact Client Services immediately if you suspect any unauthorized use.

Core securities, when offered, are offered through GWFS Equities, Inc. and/or other broker dealers.
